Abstract Notification dated 2nd March 1939.

The attention of the public is hereby invited to the advertisement published on pages 393, 394, 395. and 396, Part VI of the Mysore Gazette, dated 23rd February 1939, wherein tenders are called for for the supply of provisions, vegetables, stationery, milk and curds to the Hostel.

The last date for the receipt of tenders is 15th March 1939.

L. A. NARAYANA IYENGAR,

President.

DEPARTMENT OF INDUSTRIES AND COMMERCE IN MYSORE, BANGALORE.

OFFICE OF THE SUPERINTENDENT, CENTRAL INDUSTRIAL WORKSHOP.

Notification dated 23rd-28th February 1939.

It is hereby notified for the information of the public that the articles noted in the appended list will be sold by public auction under the following conditions at the Government Central Industrial Workshop, Bangalore, by the Industrial Engineer or other Officer deputed by him for the purpose on the 31st of March 1939 at 2 P.M.

Conditions.

(1) Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

(2) The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchaser.

- (3) Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified.
- (4) After conclusion of the sale, each purchaser shall pay 50 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one half value. Should any purchaser fail to comply with this rule, the officer conducting the sale shall be at liberty to resell the articles purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resalc. The amount due by such defaulter on account of loss from resale, shall be recovered from him.

(5) The full value of all articles purchased shall be paid for within 15 days after the date of notice of confirmation of the sale by the Director of Industries and Commerce.

(6) Ordinarily, no extension of time will be given for the payment of any amount but if any

amount is permitted to be paid after the due, date, interest will be charged thereon at the rate in force.

(7) If the amount is not fully paid for by the purchaser before the dates fixed above, moneys already paid in shall be forfeited to Government and all or any portion of the articles not fully paid for shall be resold at the risk of the purchaser.

- (8) No article or lot shall be permitted to be removed by the purchaser unless it has been paid for in full calculated at the rates at which the article is knocked down to him at the time of sale and no articles shall be removed from the workshop unless a permit is obtained from the Officer-in-charge of the
- (9) Articles purchased should be removed as early as possible and in no case should it be allowed. to remain longer than 10 days after the dates fixed in clause 5 supra. Articles not removed after purchase will remain in the workshop at the risk of the purchaser from the date of the confirmation of the

BUREAU OF SANITARY ENGINEERING, BANGALORE,

Abstract Notification dated 22nd February 1939.

The attention of the public is invited to the notification calling for tenders for the work of 'Sinking a curbwell of 16 ft. diameter and 30 ft. depth for water supply to Sagar Town,' rublished in pages 415-416, Part VI of the Mysore Gazette, dated 2nd March 1939.

The last date for receipt of tenders is on 17th March 1939.

Notification dated 6th March 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to I P.M. on 20th March 1939, for constructing slaughterhouse in Nanjangud town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1939.
